KÖMMERLING 76

Double seal system - AddOn

KÖMMERLING®

DISCOVER MORE QUALITY OF LIFE.

KÖMMERLING 76 - AddOn not only boasts modern design, it also has an optional integrated vision and sun protection feature. The additional glass pane also improves its heat and noise insulation properties. AddOn can be used with the KÖMMERLING 76 window system with aluminium facing shell.

Excellent protection from integrated blind.

The privacy and sun protection feature enhances the living environment. It is located between two glass panes and is therefore fully weather protected. The blind can be manually or electrically operated.

Improved sound and heat insulation properties.

As a result of its additional glass pane KÖMMERLING 76 - AddOn improves both sound and heat insulation, thereby enhancing quality of life, reducing energy costs and permanently lowering CO₂ emissions.

KÖMMERLING 76 - AddOn

Window and door system with 76 mm construction depth.

- **Optional privacy and sun protection feature between two glass panes.**
- **Suitable for plastic windows with aluminium facing shells.**
