# KÖMMERLING PERGOLA

## The material

For our elements, the best is just good enough. Aluminium gives you the ideal material for a durable portico of aesthetic appeal.

## Individual design

Of mullions or trims of brushed aluminium.

## Lighting

May be integrated in the frame.

# WHAT DO YOU WANT YOUR LEISURE OASIS TO LOOK LIKE?

You can choose from a wide range of basic models and colours for the ideal roofing over your outdoor area. Our KömaTerra SCALA PERGOLA system is not only a visual highlight, but its adjustable roof slats make it the ideal regulator of sun, shade, and rain just as you wish.

- Enjoy more time out of doors.
- Protection against sun and rain.
- Easy care.
- Corrosion resistant.
- Quality design.
- Light and shadow separately controllable :

**Slats closed :**  
Protection against sun and rain.

**Slats open at 45° :**  
Regulate direct sunlight and lower the temperature.

**Slats open at 90° :**  
Enjoy the air and sun in a natural ambience.

**Slats open at 140° :**  
Shade and air in direct sunlight.

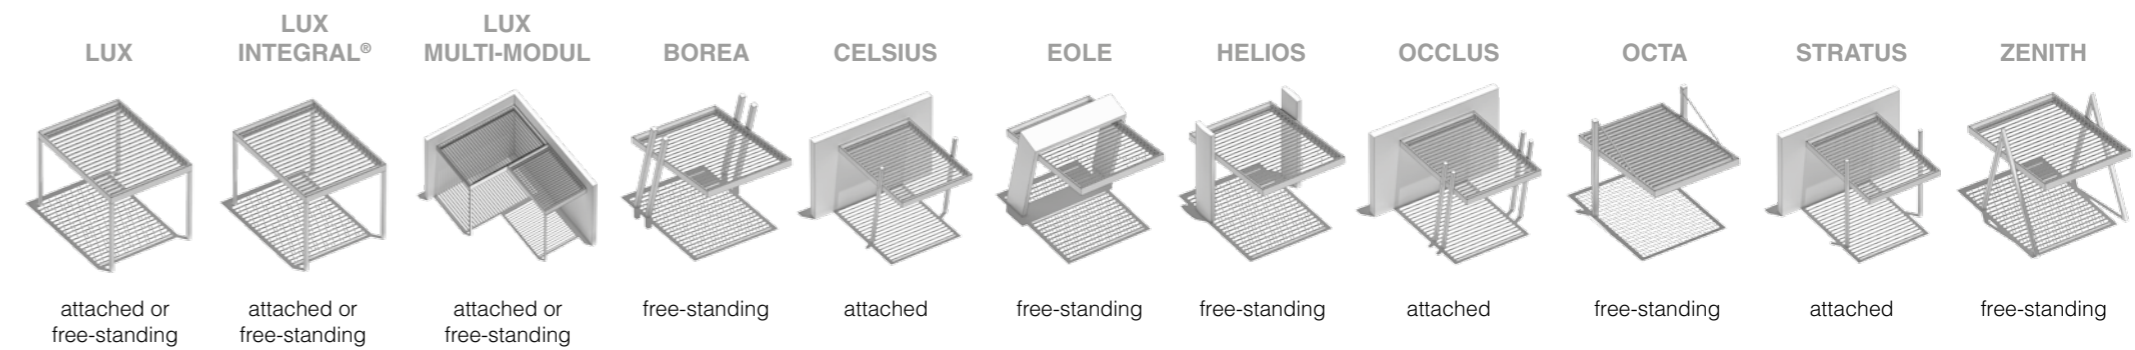

## The colour

The powder coating on the aluminium elements may present a further, individual visual accent or a design blending into virtually every envelope.

Note: The illustrated laminate colours may differ from the actual ones
